G) Total:	18,700

I certify that the statements made by me above are correct and complete.

Catherine D. Bower
Editor-in-Chief

Personnel Dept. Manager

• San Francisco Bay Area •

The University of California, Lawrence Livermore Laboratory, is looking for an experienced professional to manage our Personnel Department. We are a scientific research and development laboratory employing 5700 people. The Laboratory is a prime contractor to the Energy, Research and Development Administration.

Your responsibilities will include employee development and training, employment, recruiting, salary and wage administration, employee and labor relations, and personnel policy development, as well as advising technical department heads, division leaders and other line managers on personnel matters. You will be expected to take initiative in recommending Laboratory-wide personnel programs and policies, and will be responsible for implementing those programs which are adopted. You will provide personnel resources required to support Laboratory programs. An additional part of your duties will be to oversee research and to develop and review Personnel Department programs.

This position requires substantial experience in several major personnel functions, a broad professional knowledge in Personnel Management and demonstrated managerial ability; an advanced degree in Management Sciences or Personnel Administration is highly desirable. Please sned your career and salary history to: **Assistant Associate Director, Office of Human Resources, LAWRENCE LIVERMORE LABORATORY, P.O. Box 808, -115, Livermore, California 94550.** U. S. Citizenship Required. An equal opportunity employer.

LAWRENCE LIVERMORE LABORATORY

An Equal Opportunity Employer M/F
